

KAI SHIIDA, JAPAN
UPPER CANADA COLLEGE

I didn't know how to speak a single word of English on my first day and when I left Fulford Academy, I was able to have an intellectual conversation with others.

YI ZHI (IVY) XU, CHINA
APPLEBY COLLEGE

Fulford Academy was my first home in Canada... They helped to prepare and transform me from a Chinese student to a North American student.

ARMAN BRECHT, GERMANY
BCI, QUEEN'S UNIVERSITY

At Fulford Academy, I had a unique opportunity to learn with students from different nations. The classes were small and familiar and therefore very effective. The support and the possibilities at Fulford are great.

Fulford Academy is a coeducational, private day/boarding school located in Brockville, Ontario, Canada; home of the famous 1000 Islands on the majestic St. Lawrence River. Established in 2002, Fulford Academy offers grades 7 to 12, leading to the renowned OSSD - Ontario Secondary School Diploma. Our specialized academic offerings include ESL Prep, University Prep, a Dual Diploma Program and Academic Summer School. Starting in 2018 Fulford Academy will expand to offer Kindergarten to Grade 6 for day students. Fulford Academy's unique curriculum with highly differentiated instruction, intensive language support and emphasis on Science, Technology, Engineering, Mathematics and Arts (STEM +A) ensures competitive admission to global educational institutions.

In an intercultural environment, our students enjoy the privileges of a dynamic Academic and Residential/Student Life program enriched with many social and cultural activities, and they flourish as individuals. Gaining a genuine perspective of Canadian culture, our students are stimulated to embrace new opportunities and gain confidence through trips, extra-curricular activities and local volunteer & leadership opportunities, and learn skills that can be applied to real-life circumstances.

FULFORD ACADEMY MAKES THE DIFFERENCE

Academics

SUCCESS THROUGH INTENSIVE LANGUAGE SUPPORT

Students with beginner to high-level intermediate English will benefit from our unique and rewarding programs for second language learning. Through appropriate grade-level curriculum, all of our students receive full ESL support from certified teachers in every class. Small class sizes and additional hours of instruction ensure individual attention, personalized support and success in our English-only environment.

ESL Prep

Improve English language and learning skills in preparation for the internationally-recognized Ontario Secondary School Diploma

Middle School (Grades 7/8)

Build a foundation in key areas (language, mathematics, learning skills) during these early years

High School (Grades 9-12)

Earn academic credits towards the completion of an internationally-recognized Ontario Secondary School Diploma

University Prep (recently completed high school)

Specifically designed for students who have just graduated from high school but need further academic language preparation to be competitive in an English first language institution

Summer School

An academic experience to improve your English during an activity-filled summer

Dual High School Diploma (Grades 10-12)

Students will spend 7 weeks of their summers following grade 10, 11 and 12 to earn an Ontario Secondary School Diploma

Accommodations

BOARDING IN A SMALL AND SAFE CITY

Situated in the heart of the 1000 Islands, the city of Brockville, Ontario is designated a 'safe community' by the World Health Organization. Our 108-bed residence, with double gymnasium provides students with a home away from home during their stay. Each floor is Wi-Fi accessible and offers a common room and kitchenette. Males and females are accommodated separately, with up to four students per room. Laundry service and 24/7 supervision are provided. Three meals a day and snacks provided on-campus.

House System

The Fulford community is comprised of six 'houses' (smaller groups of students and staff) that act like families. Students are assigned to a 'house' and a staff advisor in their 'house', who support them during their stay.

Student Life

CANADIAN CULTURAL EXPERIENCE

Activities and Trips

To compliment our students' English studies, we organize exciting weekly activities and excursions, from local sightseeing to weekend trips, designed to introduce students to Canadian culture. Students are engaged in English at all times and challenged to grow personally. Over the course of an academic year, students will have the opportunity to visit: Canada's Capital; Ottawa, historic Montreal and Quebec City, the metropolis of Toronto, and the breathtaking Niagara Falls.

Co-Curriculars

Students select and participate in at least two weekly clubs as well as community service. Private lessons are also available upon request.
