

Fulford Academy 14 Day Quarantine Information:

Fulford Academy has developed the following Quarantine plan in consultation with the Leeds, Grenville and Lanark District Health Unit.

Quarantine Location

- ◆ Students are quarantined individually in their own bedroom at 1805 Cty Rd 2, Brockville, ON, K6V 7G3
- ◆ Quarantine locations are on school campus in a designated location.
- ◆ If a quarantine room does not have a personal bathroom, a cleaning schedule will be created to ensure the bathroom is sanitized frequently and thoroughly. Students would need to contact staff to let them know they are going to the bathroom so it can be cleaned appropriately immediately after along with the hallway.
- ◆ Shower schedules will be created to ensure proper cleaning of the showers between student use.

Quarantine Supervision

- ◆ Students quarantining are supervised and supported 24 hours a day by staff members from the school.
- ◆ Students complete a daily COVID Screening survey to monitor for symptoms
- ◆ Staff complete wellness checks daily at different times per day over the phone or video chat.
- ◆ Staff only have face to face contact with students if students request something.
- ◆ Staff are appropriately supplied with PPE (medical mask, face shield, gloves, and gown).

Transportation

- ◆ Students are picked up by a driver (both are required to wear a mask) at the airport.
- ◆ Students sit in the back of the vehicle or distanced as far as possible from the driver.
- ◆ Windows are cracked open in the vehicle to create natural ventilation.
- ◆ Students are transported directly to the quarantine location with no stops along the way.
- ◆ Students go directly from the transportation vehicle into their quarantine room.

Meals

- ◆ Students are provided with up to 3 meals a day, along with snacks available to students upon request.
- ◆ Staff place meals outside of the student rooms and call them to let them know to open their doors and pick them up. This creates contactless transfer of food.
- ◆ Students place their food in the bags supplied and place outside of the door after for disposal.
- ◆ All food is prepared in disposable containers which are disposed of after eating. No food, containers, or utensils go back to the place of food preparation.

Laundry

- ◆ Students have access to a contactless laundry service
- ◆ They are provided with a laundry bag to put outside of their bedroom door once a week for cleaning.
- ◆ Staff cleaning the laundry wear appropriate PPE
